Shorashim

I am very much looking forward to working with Shorashim next year. In fact, we have already begun preparing for next year.

You should have already received your Shorashim registration forms for 2009/2010. Please complete the forms and send/fax them to the UJC office as soon as possible, preferably before you leave for your summer holidays. Receiving your registration early helps us organize classes, teachers and materials, and better prepare for next year. If you have not yet received your registration forms, if you would like to register a new student in Shorashim, or if you have any questions, please contact the UJC office.

I hope everyone has a wonderful and safe summer.

See you this fall in Shorashim!
